## Report of alumni participation in institutional functioning

The Alumni Association of Mount Carmel College of Teacher Education is a registered body which plays an important functioning in the organizational hierarchy. The institution over the years has produced efficient teachers as productive members of the society who always treasure the bond with the institution and are always receptive to the functioning of the Alumni Association. The Alumni Association contributes immensely to the functioning of the institution by providing experts not only for discussions but also for organizing enriching programmes for the all-round enhancement of the student community.

### Alumni has an active role in the regular institutional functioning such as:

- **Motivating the freshly enrolled students**

The Alumni Association of Mount Carmel College of Teacher Education acts as an effective support system for motivating students as well as recognizing, nurturing and furthering any special talent/s in them. Alumni of the institution are invited to take orientation and induction programmes for motivating the students.

- **Involvement in the in-house curriculum development**

Senior Students and Alumnae of the college take demonstration classes, seminars, awareness programmes, and when invited judge various events during intramural competitions. The teachers especially the alumni of the institution give timely instruction and guidance related to academic activities. They also focus on the talents in areas like academic, sports, technical, interpersonal, creativity and social aspects. Students are encouraged to take part in intramural competitions as well as inter-collegiate competitions. The Alumni also have membership in decision making bodies of the institution like IQAC and curriculum Planning Committee.

- **Organization of various activities other than class room activities**

On various occasions and celebrations of festivals cultural events are organized to enhance the talents of students. Alumni of the Institution are invited to judge various cultural events. Further development of the special talents of students is ensured by the Alumni Association by providing opportunities to train their peers.

- **Support to curriculum delivery**

The alumni are always available to render a strong support to curriculum delivery. The alumni of the institution take portions related to the curriculum and also give an overview on the various aspects of how to execute the various aspects mentioned in the syllabus. They also provide their expertise in the preparation of teaching aids.
