Prof. (Dr.) Suma Joseph  
Principal  
Mount Carmel College of Teacher  
Education for Women  
Kottayam- 686 004

## PLACEMENT CELL REPORT

Placement is conducted in our college every year during January to May and when any urgency on demand. Reputed schools from India and abroad inform and get prior permission and then visit our institution on scheduled time. They discuss with Principal, Placement Officer and interact with students in an official meeting where they are informed well about concerned institution and they scrutinize our teacher trainees by conducting a preliminary test on their Teaching Aptitude during which recruiters collect their Bio-data and conduct Interview and Demo Class when required.

Our college maintains a close relationship with the alumni for their placement as well. We have an effective mailing system through which it helps the alumni in locating high level jobs. Our alumni also contribute by providing information about additional jobs available through the placement officer by using the same network.

Preparation of placement reports, updating the list of schools, students and placement details are well maintained. Follow up with schools and procurement of appointment letters are carried out regularly.
