Plan of teacher engagement in school internship

Plan of Teacher Engagement in School Internship for the two-year B. Ed. Programme 2021 - 2023

Teacher educators play a vital role in preparing and evaluating the student teachers during the internship programme. The B.Ed. programme consists of twenty weeks of school internship spreading over two phases, first phase of four weeks during second semester and second phase of sixteen weeks during third semester. The teacher engagement during school internship is as follows.

Preparatory Phase

- Allotment of student teachers to the selected schools for internship
- Interface with Heads/ Senior teachers of the schools selected
- General orientation to student teachers on school internship
- Course wise orientation regarding the classroom teaching and school based practical works
- Conducting course wise workshop for the preparation of teaching aids
- Correction of lesson plans and providing feedback

Field Engagement

The teacher educator for the Pedagogic Course has to observe one lesson during the first phase of internship and three lessons at the beginning, middle and end of the second phase of school internships as follows.

- Teacher educator schedules the school visits based on student teacher's timetable
- Observation of classes at the beginning (First round) and discussion with mentor teacher
- Providing feedback and suggestions to the student teachers
- Supervising the conduct of other school based practical works
- Observation of classes towards the middle of the school internship (Second Round) and discussion with the mentor teacher.
- Ensuring the improvements in the performance of student teachers based on the previous feedback and suggestions.
- Supervision of other practical works and discussion with mentor teachers
- Providing feedback and suggestions to the student teachers based on the second visit.
- Conducts discussion with the Head of the institution to ensure the active involvement of student teachers in the various activities/ programmes of the school.
- Third round observation of classes towards the end of the internship programme

The course coordinators of the core courses will supervise the respective practical works and observation of physical education/ health education/ yoga lessons will be conducted by the physical education teacher.

Evaluation Phase

The institution adopts various evaluation strategies in order to ensure the effectiveness of the school internship programme. The teacher educators prepare various evaluation tools to evaluate the performance of the student teachers comprehensively during the internship programme.

- Teacher educator monitors the preparation and administration of various evaluation tools by the student teachers.
- Collecting the responses from stakeholders through various evaluation tools
- Critical analysis of the responses
- Individual meeting with the student teachers for review and further action
